

# Richmond Town Supervisor's Report - March 2015

## Status of Water Projects

- **East Lake Road:** Residents will be receiving a newsletter with a status report from Chatfield Engineers this month. Attorneys are working on Eminent Domain proceedings to obtain a handful of remaining easements required to move forward with construction. Chatfield is working with Monroe County Water Authority and the NYS Health Department on final plan revisions.
- **Ashley/White Road:** With funding secured, Chatfield is awaiting approval from review agencies for final design plans.
- **Big Tree Road:** Paul Chatfield has spoken with a representative from NYS Senator Rich Funke's office to provide background information for legislative efforts to secure grant funding that could make the water district affordable for residents.

## Board Vacancies

The Town of Richmond continues to seek candidates to fill several board positions:

- Secretary to the Zoning Board of Appeals
- (2) five-year vacancies on the Board of Assessment review

Letters of interest may be directed to the Richmond Town Clerk at [trich@frontier.com](mailto:trich@frontier.com) or by hard copy to P.O. Box 145, Honeoye, NY 14471.

## Highway

Kudos to our highway department and groundskeeper for staying on top of snow removal throughout the winter, keeping local roads and sidewalks clear and safe for traffic. Their hard work and dedication is appreciated.

## Economic Development

Commodore Plastics is working on plans to build a new 125,250 square-foot warehouse in Honeoye that would allow Commodore to add four new jobs. The project is coordinated through the Ontario County Industrial Development Agency.

Community members have launched an updated website for the [Honeoye Lake Area Chamber of Commerce](#); a new blog site for the [Honeoye Downtown Business & Community Coalition](#); and a [Honeoye Lake Area Visitor Center Facebook page](#). In addition to fostering a web presence, these groups are working in tandem with the Economic Development Task Force to attract businesses and funding to our area.
